

Once again, looks pretty normal
to me, but we still will have it tested.

We will send you the
results VIA mail within 5
business days.

That'll be \$500.

WHAT!?

Are you serious?!

My heart rate was over 600 beats per minute and my blood has weird green things in it!

Did I stutter, fella?
I said- 500 dollars.

But that's not even accurate, a lot of the time fiction is used to represent real life in the form of metaphors and symbolism-

STEP

STEP

STEP

DO YOU HEAR THAT?

LET'S CUT
HIM UP!

LET'S RIP
HIM OPEN!

LET'S STICK
HIM WITH
NEEDLES!

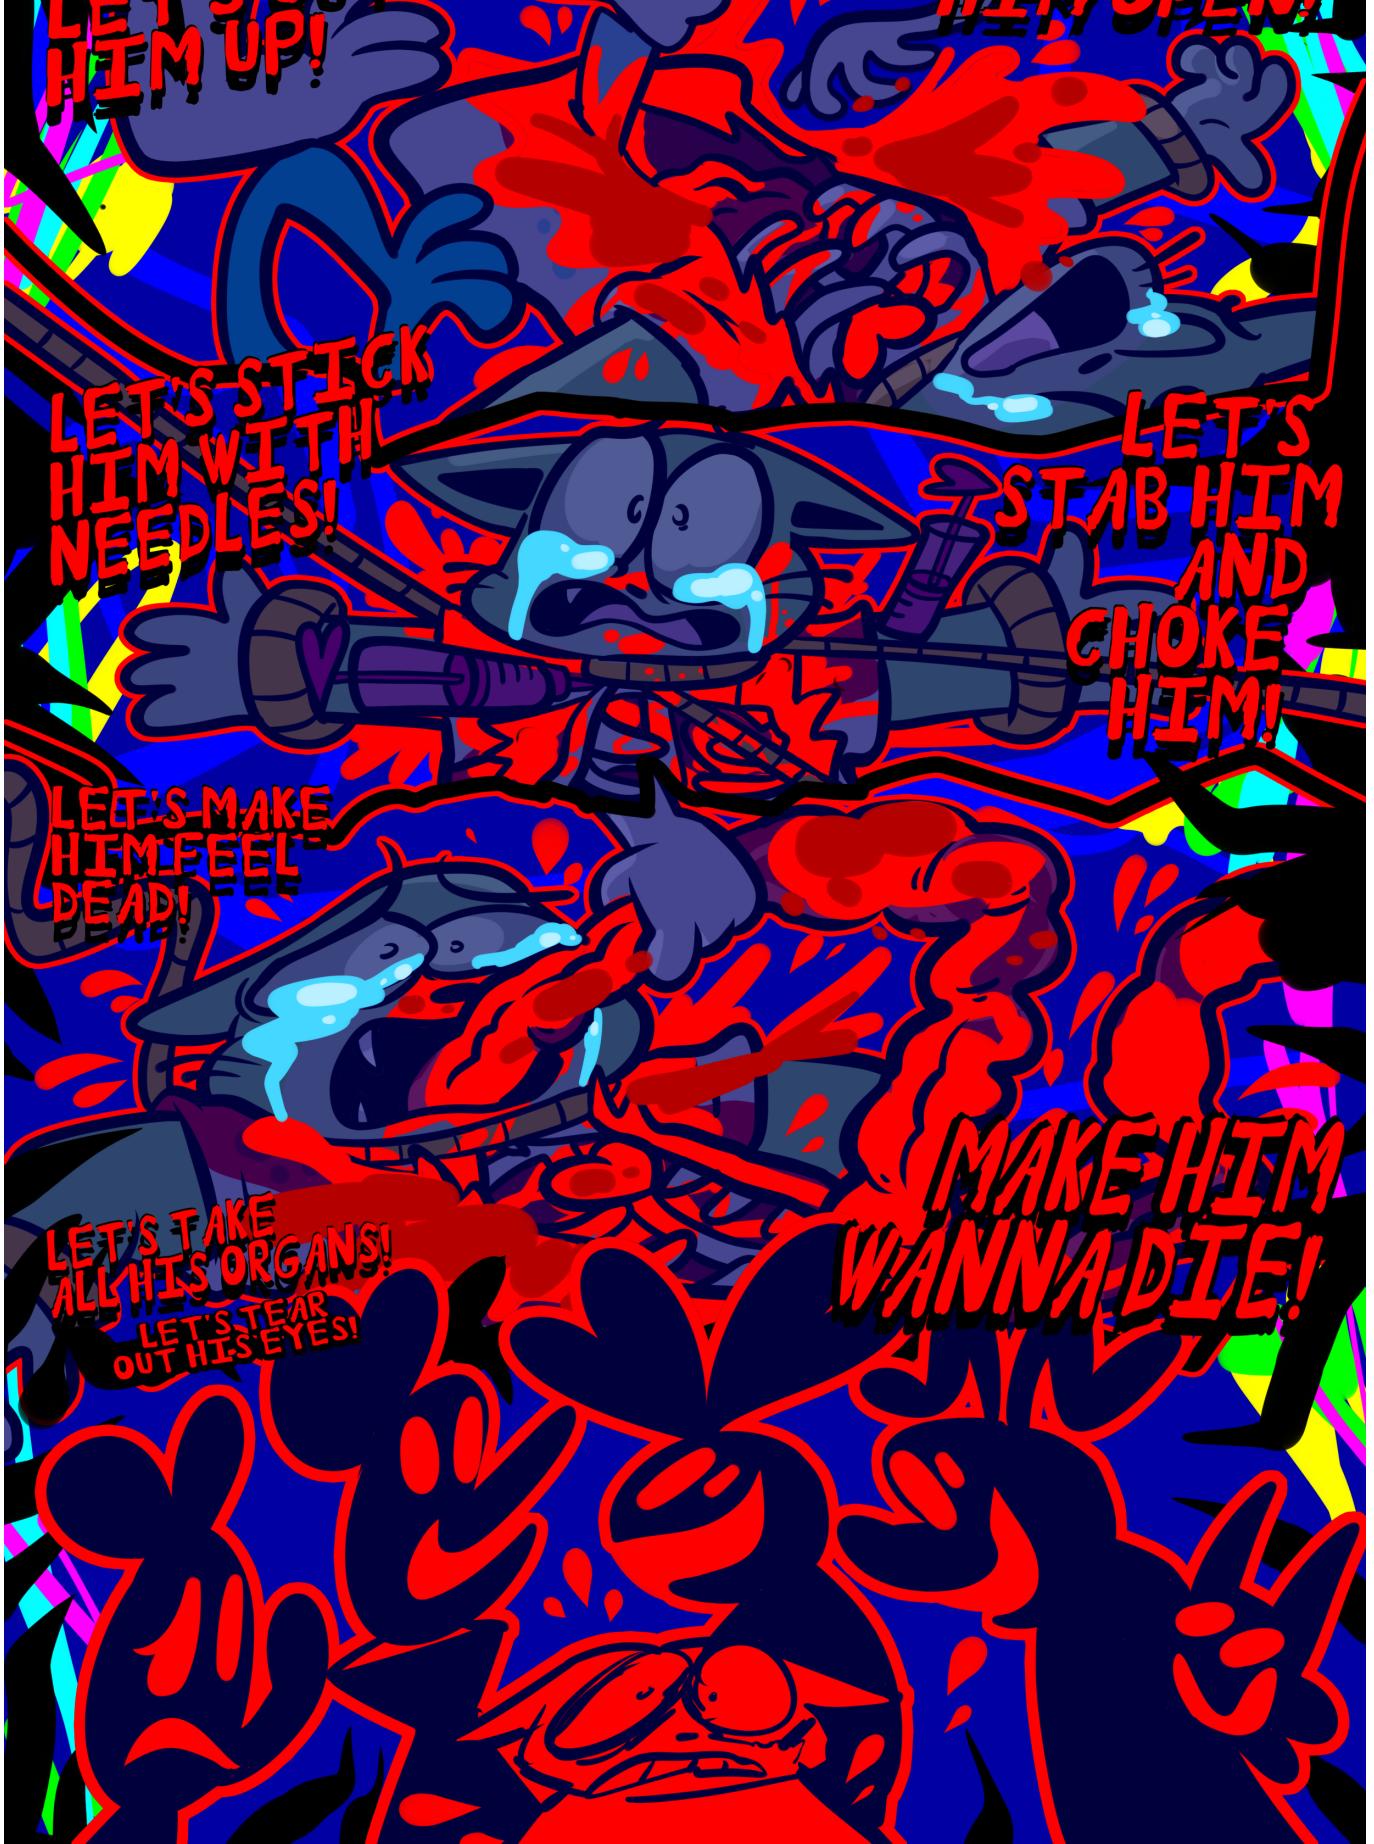

LET'S
STAB HIM
AND
CHOKE
HIM!

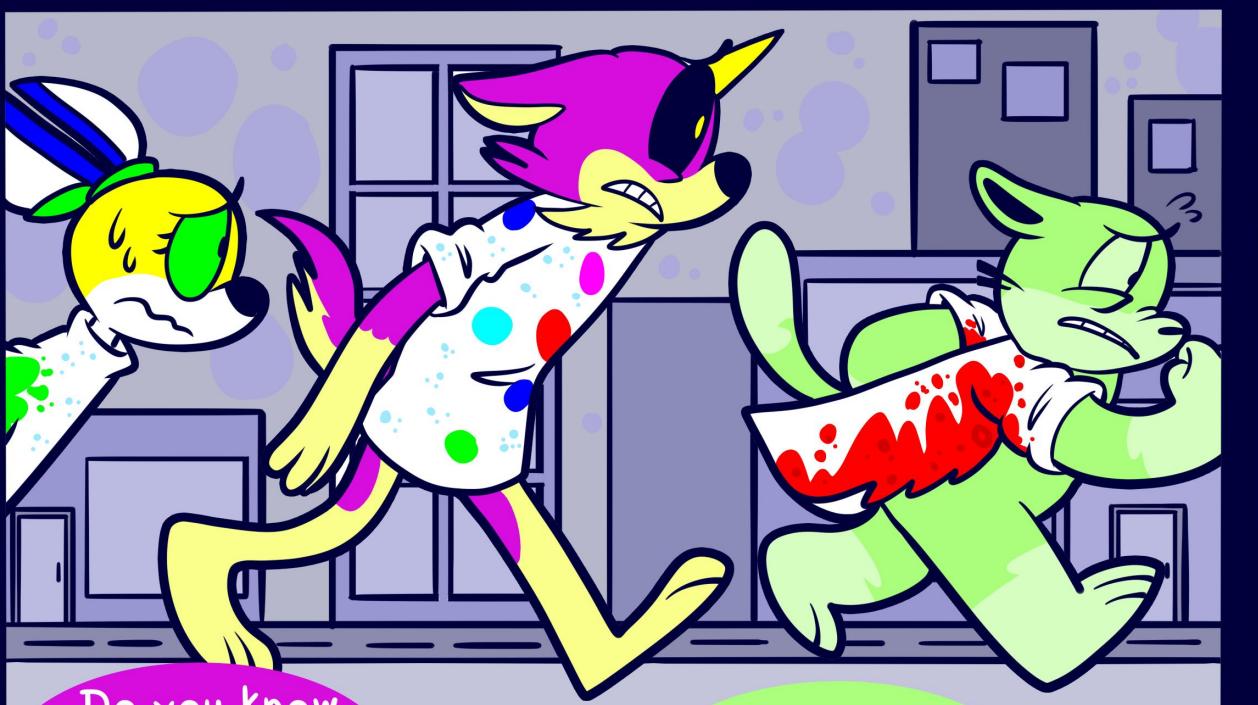

LET'S MAKE
HIM FEEL
DEAD!

MAKE HIM
WANNA-DIE!

LET'S TAKE
ALL HIS ORGANS!

LET'S TEAR
OUT HIS EYES!

Do you know
where we're
going, bro??

I live here!
I go to college
in this city!

It has the highest
graduation rate in
Citycountrytown!

Wow, I didn't
even graduate
high school.
